THE VISION

The case for the *APARECIÓ @MMONS*

A Vision Rooted in Community

The Apareció Commons at Hinsdale Station is more than a concept store—it's a public benefit destination. Created by a Hinsdale resident and powered by a national nonprofit, this space brings together meaningful retail, educational programming, and community engagement. It's where purpose meets place.

A Proven Model

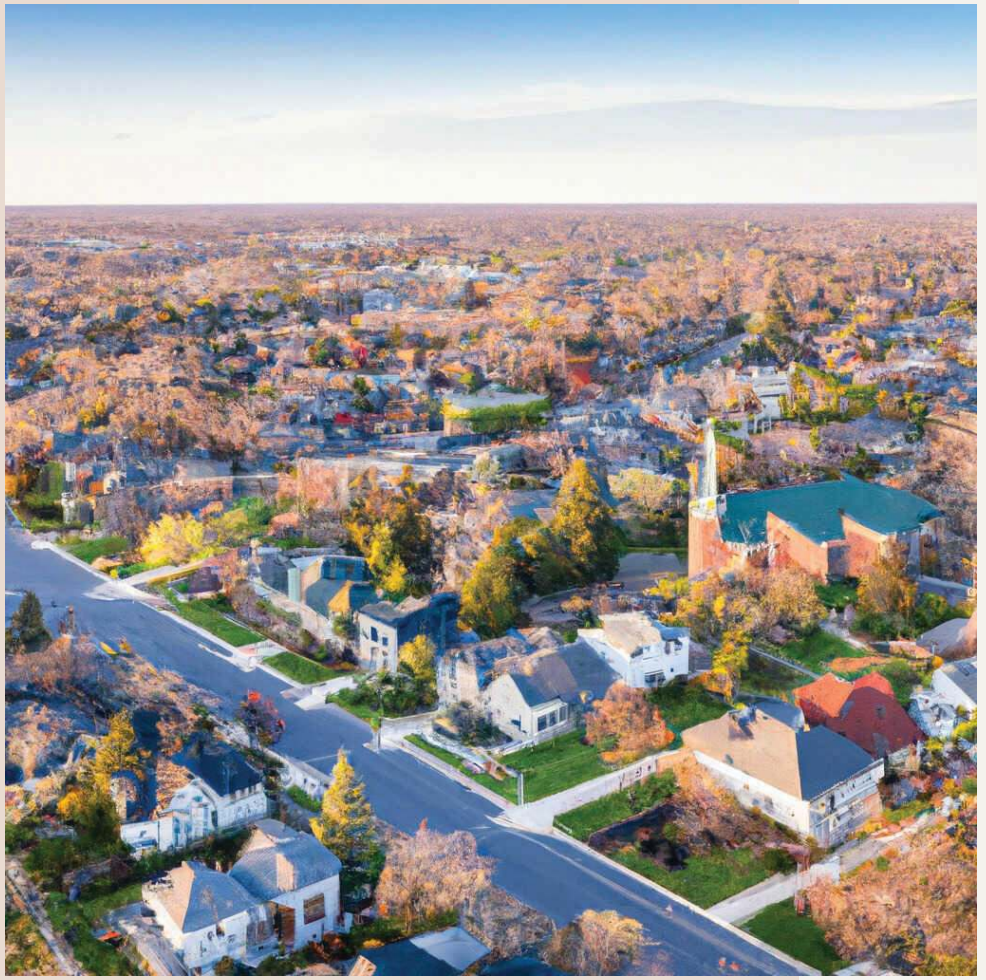

The Apareció Foundation has empowered 1,200+ students since 2009. Through Félix Magazine, Hasana Inc., and Monger Reserve, we've raised awareness, distributed 3,000+ meal boxes, and grown a 22,000+ audience—all while funding mentorship and education.

A Smart Local Fit

The Commons offers daily use, sales tax revenue, and zero public cost. It's a ready-to-activate space that brings cultural and civic value to the Village—led by one of its own.

"A SINGLE SPACE CAN FEED, INSPIRE, AND LAUNCH THE FUTURE—ALL AT ONCE."

- JESSICA GEORGE, EXECUTIVE DIRECTOR,
THE APARECIÓ FOUNDATION, NFP.
